Nobles:

As your Oriental Guide, I send you fraternal Shrine greetings and also extend to you my sincere thanks for the honor you have conferred on me by election to this first elective office.

Islam Temple has a big task before it this year with the coming Convention, but with your co-operation the job will be well done and will reflect credit upon our Temple.

The Convention is only nine weeks away, and as the Chairman of the Automobile Committee, I urge you to register your cars with my committee so that I may assign you to the time best suited to you to help entertain our visiting Nobles and their ladies.

We must all put our shoulder to the wheels of the Convention Program and let the visitor know that Good Cheer and Progress is the motto of the Convention and of our Temple.

Please help your Temple and help me as Automobile Chairman by sending in the automobile registration card, printed elsewhere in this issue.

With kindest regards and expecting your co-operation,

Yours in the Faith,

WILLIAM L. HUGHSON,
Oriental Guide,
Chairman Automobile Committee.

What shall the Recorder say? That is the question.

HELLO, NOBLE! is always good and friendly. Use this whenever you meet another Noble and soon you and he will smile and then we will have miles and miles of smiles.

HOW MUCH IS A \$1000.00

?

Well, brother, it's a lot of money when it is badly needed.

Some of these days your wife is going to need it badly, but you will not be able to give it to her. That will be when the Black Camel comes to your home. And that is one of the things that is dead sure going to happen to you, just as it is going to happen to all Nobles.

HOW MUCH MONEY HAS YOUR WIFE IN HER PURSE OR BANK WHERE SHE CAN GET IT QUICK?

These are days when few of us leave much money with our wives. And if something should happen to us, they would be without any ready money, and would have to appeal to friends until our estates were settled.

It is for that reason the Widows' and Orphans' Fund was started, back in 1919, by a few members of Islam Temple. That a thousand dollars in cash might be hurried to the widow of a Noble, immediately following his death, to take care of immediate expenses, a number of Nobles got together and agreed to contribute a dollar to carry out this wonderful idea. Today three thousand members of Islam are members of the Fund, and as a result, only a few cents need be contributed when a death is reported. If you are not a member, and you are under 51 years of age, become one today. You not only owe it to your wife; but you will have the satisfaction of knowing that you, as a good Noble, are willing to do unto others as you would have them do unto you.
